SUBURBS LEAD TO-DAY'S STOCK MARKETS
IN BIG REALTY COPPER SHARES STEEL COMMON
TRANSACTIONS STRONG TO-DAY HIGHEST EVER

By T. C. SHOTWELL

NEW YORK, Sept. 10.—The rumors that the United States Steel corporation would retire \$200,000,000 of its common stock at \$20 a share, which it would purchase from a syndicate, accelerated the upward movement of the steel stocks today. During the first half-hour of trading it set the new high record of \$34 1/2, or an advance of 1 1/2 points. There was also a corresponding demand for the common, which advanced one point.

After a period of strength the steel shares were due to the fact that instead of the rail department of the steel trust, is in the hands of the public, and the possibility of a change of the trade to respond to a demand for steel.

The heavy trading in the steel shares and the strength and a sympathetic effect on the railroad shares was the result. The shares of Pennsylvania was the leader of the railroad group, making a new high record of 14 1/2.

In connection with this raid it was reported that the world's stock issue would be \$1,000,000,000 of new stock, which would probably be

Although Reading was active and strong, it did not hold as conspicuous a position in today's trading as it did yesterday. Union Pacific and Southern Pacific advanced 1 1/2 points each. Expectation that the Atchafalaya dividend will be increased caused that stock to advance 1 point. St. Paul, Chesapeake & Ohio and New York Central were other shares.

The Public Service Corporation of New Jersey increased its dividend from a 4 to a 5-cent rate. The company will issue \$4,750,000 of new stock and \$8,000,000 of bonds. American share holders are active in London. On the New York stock market mining shares were only slightly changed, with trading fairly active.

GARRISON MAKES TRUST FOR WIDOW

The will of the late William Lloyd Garrison was filed for probate in East Cambridge today. It leaves the entire estate in trust for the benefit of his wife, Fanny Garrison. Winthrop Coffin of Brookline is William Lloyd Garrison, Jr. of New York and Charles Garrison of New York are trustees. For the estate and pay Mrs. Garrison the income every year. The will also provides for the death of Mrs. Garrison, the trust arrangement is to continue for five years with the four children as beneficiaries.
